 5. Reports surrounding these issues are taken extremely seriously by our board of Directors and our Managers who are committed to ensuring that all investigations shall be prompt and effective. If our investigations reveal any issues, we are committed to taking appropriate action, including but not limited to:
 - Working with the appropriate organisations to improve standards,
 - Removing that organisation from our preferred supplier list,
 - Passing details to appropriate law enforcement bodies.
 6. We regularly monitor our risks in this area through the use of relevant key performance indicators, including:
 - Those suppliers who sign up to an appropriate code / provide their own modern slavery statements,
 - Those workers supplied from audited businesses / our preferred supplier list,
 - The effectiveness of enforcement against suppliers who breach policies,
 - The amount of time spent on audits, re-audits, spot checks, and related due diligence, and
 - The level of modern slavery training and awareness amongst our staff.
 7. As part of our efforts in this area, we publish a modern slavery statement on an annual basis.
 8. We would also recommend reading this in conjunction with our other policies, including our: Corporate social responsibility policy, Ethical policy, Anti-bribery / corruption (Gifts & Hospitality) policy and; Whistle-blowing policy.

This policy was adopted on 17th January 2017 after being agreed by our board of Directors. It is reviewed annually.
