

QUALITY POLICY STATEMENT

Logical Personnel Solutions provides recruitment and manpower solutions to a variety of different sectors within the recruitment industry, such as the Rail, Construction, Energy, Logistics, Mechanical, Electrical, Manufacturing, and Nuclear industries. We work within temporary, fixed term and permanent markets offering a transparent, honest service, where our candidates always come first. We strive to create long term relationships with both clients and candidates by exceeding expectations and to be the manpower provider of choice due to recommendation and reputation.

The Directors of Logical Personnel Solutions consider the quality aspects of our operations to be of primary importance to the successful management of the company.

In support of our aims and strategic direction and to demonstrate our commitment to quality, we operate a Management System in accordance with the requirements BS EN ISO 9001:2015, the requirements of our customers and in accordance with our compliance obligations.

We will review the risks and opportunities to our business and set objectives against which our performance can be measured to identify opportunities for continual improvement of the Management System and enhancing levels of customer satisfaction.

This policy will be reviewed annually as part of the management review process, to ensure its continued relevance and adequacy.

It is part of the company's training programme to ensure that this policy statement is briefed, understood and implemented at all levels within the company.
